The Foundation for Development Cooperation

Please note that several papers on economic and technical co-operation (ECOTECH) and capacity-building in the APEC process, written from 1996 to now, are available on the web-site of The Foundation for Development Cooperation (www.fdc.org.au)

Those papers were written by Andrew Elek, but seek to reflect the joint views of the international group of experts convened by The Foundation for Development Cooperation to promote development co-operation through the APEC process.
